Come experience the unsurpassed beauty of the second largest coral reef in the world! Our adventures leave daily from the tranquil unspoiled fishing village of Puerto Morelos, home to the oldest port on the Mexican Caribbean, and the town where Almost Heaven Adventures was established over 18 years ago by owner, Enrique Juarez.

Almost Heaven Adventures offers prime service and guarantees the quality of its boats, guides, and equipment.

Snorkeling Trips

Our snorkeling package includes free equipment rental and a 2-hour educational tour inside our nationally protected coral reef park where you will be led by one of our professionally trained snorkel guides who will teach you how to safely interact with this delicate underwater world.

Daily Morning and Afternoon Trips

Private tours available. Special group rates. Large groups welcome.

Cenote Snorkeling

Drive through the jungle off the unbeaten track to discover the pristine beauty of the Yucatan cenotes. 5-hour trip.

Night Snorkeling

An unbelievable experience. Snorkel under the stars. See the creatures that only come out at night.

Scuba Diving

Whether you are a beginning student or an advanced diver with years of experience, we can help make your diving experience an enjoyable one.

We offer:

- 1) Discover Scuba: this 3-4 hour course supplies you with scuba basics and culminates in a one-tank ocean boat dive. This is a must for anyone who has ever thought that scuba diving might be fun.
- 2) 2-tank reef dive: For certified divers.
- 3) Cenote dives.
- 4) Scuba certification courses: call or email for information.
